RAILROAD - NARROW GUAGE. - We
received a letter this week from Mr.
Chas. D. Pearson in regard to a projected
narrow gauge railway from Indianapolis to Jasper, crossing the O. & M.
R. R. at Huron. This would certainly
make a profitable line, and built as a
narrow gauge would come nearly within
the ability of the people along the
line to build and own it. A good deal
of interest is being manifested along the
entire line as far as canvassed, and if the
Company is honestly managed there is
no reason why it might not be built
within a year. Mr. P. will shortly visit
our county, and we bespeak for him
that cordial reception which the great
merits of the enterprise, and its man-
ifest advantages to the county, entitle
him to. Our citizens, after they have
been thoroughly informed upon it, will
be willing to do a full share in aiding it.

thrown overboard, will be considered.

**The election for corporation of-

interest is apparently taken in it. We have heard of the following candidates
for Trustees: 1st Ward—Phillip
Starnger and Isidore Schumacher;
2d Ward—Sebastian Kuebler; 3d Ward—
Joseph Friedman. Mr. Alois Gramel-
spacher is also spoken of as a candidate
in the 3d Ward. For the other offices
we have heard of no opposition to
present incumbents.

nating steamer of a girl! I'd have all
my clothes cut after the "Domestic
Fashions" and just heap the style on.
And wouldn't I pile on the duds and which is a gift of the people. I will
wear a big bustle! Oh no. Hh! Ouch!"
and just here his father, as he led him
out by the ear, said, "Young man, if
you don't climb out this and make a
big bustle in the neighborhood of that
wood pile I'll fix you so's you couldn't
wear a bustle for a month."
